

## No Woman Left Behind

The No Woman Left Behind fund-raiser was held Sept. 23 at The Seasons restaurant in Appleton. The evening, which included a gourmet dinner, live and silent auctions and entertainment by comedian and musician Dan Riley, raised \$30,000 to provide healthcare to underserved women in the Fox Valley. The evening was brought about by a partnership between the Marti Spittell Ziegelbauer Foundation and the Fox Cities Community Health Center in Appleton.
